

**Professional Investors, Inc. Case #20-30604 (HLB) (Jointly
Administered with Case #20-30579)**

Dear Judge Hannah Blumensteil,

I was a victim of a Ponzi scheme that is now being settled. I am 78 and it was a major loss for my husband and myself. It seems like the professional fees are extremely high and have really cut into the money we are able to retrieve. I wanted to object to these fees and hoping you can do something to lower them.

Thank you,

Harriet Bye
